Comptrollers Office
Dec.r 20th 1833.

I Elisha Phelps, Comptroller of the public accounts of the State of Connecticut, do certify that the pay roll of Capt. Adonijah Burr's Co. Col. Increase Moseleys regiment was charged to the United States, upon the books of the Pay Table, under date November 1778.

No roll of his company has been found, or proof how long he was in service.

And that the pay roll of Capt. Andrew Hillyer's company, New Haven town, in 1779, is charged also to the United States under date October 28th 1783.

But no roll of his company has been, or any proof of the duration of their service.

E. Phelps

It appears from the Above that there is no record of Zebina Burr, house at Roxbury after his discharge in 1775 or at least, this paper is silent on the subject, as this was voluntary service performed in Mass. it is not likely it would have been recorded on the Connecticut Books.
